Sports Day
16th June 2009

After having to postpone our Sports Day last week due to wet conditions, we were delighted to have fantastic weather greet us this Tuesday morning. The sun shone brightly and the children enjoyed a great morning of sport from track events to high jump and javelin. There was a terrific atmosphere created by the marvellous crowd of families who came to share in this event with us. Thanks must go to the PTA who provided refreshments during the morning.

Also, we were very fortunate and thankful for the help that we were given by students from two of our local secondary schools, the Hayesbrook School and Weald of Kent Grammar School for Girls. They helped the event run very smoothly.

Everyone who took part can be very proud of their efforts, but special congratulations must go to Tyler house, the overall winners!

Here are a few shots capturing some of the events, with the final photograph being the Tyler House Captain collecting the winner's shield from Mrs McGlew...
