Red Nose Day - 13th March 2009

The whole school took part in a day of TASC activities to celebrate Red Nose Day. The different groups had to create a nose out of junk, create a dance or rap, label all the african countries on a map, create a class puzzle, as well as colouring, collage and a wordsearch! Tremendous fun was had by everyone and the school made a total of £438.84 to contribute to the Comic Relief Appeal.
