Canterbury Cathedral Trip
11th March 2009

KS2 made a `pilgrimage' to Canterbury Cathedral on Wednesday 11th March to further their learning about St Augustine. We travelled by train from Tonbridge to Canterbury West and walked a short way to the Cathedral. The pupils split their time between touring the Cathedral, dressing up and learning more about St Augustine, as well as taking part in activities such as quill writing, stone masonry and bridge building.

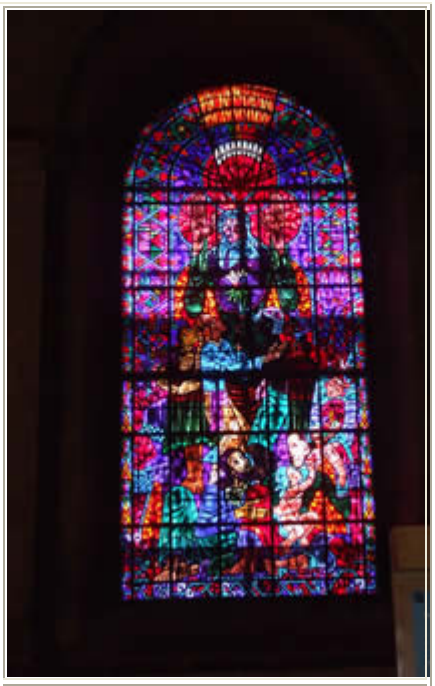

Here's a look at our thoroughly enjoyable day:-
