KS2 VE Day "Christmas Express"
11th December 2008

KS2 had a wonderful time on Thursday 11th December when they invited guests from the village to join them for a VE Day Party. Everyone joined in singing songs from WW2 as well as Christmas carols and also enjoyed a party tea; sandwiches, sponge and jelly! The afternoon gave the children the opportunity to share with the guests the work that they had done on WW2, including playing the board games that they had devised. The event had been planned by Year 6 pupils and all KS2 children helped prepare the displays, make paper hats, flags and bunting for the occasion. Here's a look at everyone having a great time ...

WHAT WE
HAVE
LEARNT
