KS2 Evacuation 3rd November 2008

On Monday 3rd November all pupils in KS2 were asked to come to school dressed and ready for an evacuation at any time. Lessons started as normal, however, after their morning break they were all asked to gather their belongings, making sure they had their Identity Cards, gas masks, suitcase with their essentials and their tags were securely tied to them, ready to be evacuated. Siblings were put together and off they set. Their journey was on foot to St Mary's Church, Speldhurst where several local residents, grandparents and other invited guests were waiting ready to `billet' the children. The children were billeted into groups and our guests were able to share with them their experiences of World War II. As you will see from the photographs, the children were enthralled with the stories and we are very grateful to everyone who came along and made it such a special experience for the children.
