

## Visit from Year 4 Penpals from Christchurch C of E School, Brixton

Year 4 had a great time meeting and spending time with their penpals from **Christchurch C of E School, Brixton** on Thursday 5th July. Our visitors travelled down by minibus and arrived about 10.30am. The children all joined together in our outside classroom and enjoyed working together. Lots of games were played over the lunch break and the afternoon was spent giving our friends a tour of the village which included visit St Mary's Church and the recreation ground. It was a thoroughly enjoyable day and we hope that one day we will be able to visit our friends in their school.
