KS2 Christmas Express & Victorian Pageant
7th & 8th December 2011

This term KS2 have been learning about life in Victorian times during their topic, Hard Times. As a `fabulous finish' to the topic the different classes put together a Victorian Pageant which included Bramley Class singing `Consider Yourself'; Crispin Class dancing to `Be Back Soon' and Russet performed 'A Christmas Carol'. All pupils came dressed in their victorian outfits and really looked the part.

The classes were able to entertain two audiences; firstly, during the afternoon of Wednesday 7th December, Russet Class invited some of the older residents of Speldhurst to come and be entertained - our Christmas Express. The Year 6 pupils looked after their 50 or so guests very well and served them with tea and tasty cakes and then performed for them along with the other KS2 pupils. The afternoon was rounded off with some carols and musical performances by some of the children. A wonderful time was had by all.

Secondly, the following afternoon, parents were invited to come and enjoy their children's performances. They also got to hear about and see some of activities that had been covered during the term
