

Children in Need

18th November 2011

We wanted to raise some money to support Children in Need day this year, so we had a mufti day and made a donation to wear our own clothes and some of us managed to wear something spotty. In the afternoon, Miss Redden had organised for us all to decorate some cakes using 'Children in Need' as the theme and a winner was picked from each class. Some classes also made and decorated boxes to carry the cakes home in.

We had great fun and managed to raise over £280!
