Wednesday saw the warmest day of the year so far and I think we are all hoping for more of the same as we move into Term 4! We're over halfway through the school year now and we are able to look forward to all the exciting things which the second half of the year brings. Good luck to all our choir members who will take part in the Tunbridge Wells Singing Festival next week alongside hundreds of other children from across the Tunbridge Wells area- it is sure to be an amazing experience.

Steel from Gladiators, who visited us earlier this year, has become an ambassador for the 'Smartphone Free Childhood' campaign. There are lots of resources and a video from Steel on the Smartphone Free Childhood website- please visit:

www.smartphonefreechildhood.org

The majority of local secondary schools will be going 'mobile-free' from September so with that in mind, and the pressure parents sometimes feel to provide mobile technology, it is worth finding out all you can about what the future of smartphone use for young people may look like.

Educational Psychologist Visit

Our link EP, Rhea Powell, will be visiting us on Wednesday 11th March. An EP works with schools, families and local authorities to support children and young people with their development, learning and overall wellbeing. Rhea will have a table at pickup on the day and is keen to hear from parents about any areas where they would welcome further support. This is a great opportunity to find out more about the role of an EP and to have an informal chat, so please do stop by if you can.

Bramley Class Roman Day

Mrs Hadley and the Bramley team laid on a fantastic day of fun, art and craft, and historical learning for Year 3 this week. They explored Roman artefacts, researched the Roman army, made shields and took up battle position, all while proudly wearing their fabulous costumes.

Dates for the Diary

March

Tuesday 3rd- Singing Festival- rehearsal
9am-12pm, event 7pm

Thursday 5th- World Book Day
