December 2025

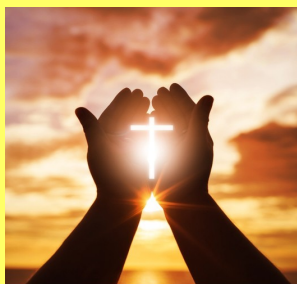

Christmas is around the corner and, with two weeks left of Term 2, we are all starting to look forward to the build-up to the Christmas break. This is always a special time of year with wonderful events such as the Nativity, pantomime, Christmas grotto and Carol Service all coming soon!

We are grateful this year to have been able to keep our school open over the past week as many other local schools have been forced to close due to the issues with water. We are hopeful the problem will be resolved and that those of you who have been affected can return to some sort of normality soon!

When the end of term arrives, we wish you all a fantastic Christmas holiday with your family and friends.

Prayer Group

Please join us in school on Friday 12th December for a time of prayer led by the new priest in charge of St Mary's Church, The Revd Rob Hindmarsh. If you would like to join us, please come to the school office at 2.30pm.

Art Expertise

The Year 5 children of Crispin Class have created stunning Monet-style art, based on his famous Haystacks painting series. They used their colour-mixing knowledge and skills to superb effect, emulating the great artist's work to show the scene throughout the changing seasons.

Arty the Artful Owl

Arty the Artful Owl is now in residence at school having been part of the Demelza Trail in Tunbridge Wells. Arty was designed and decorated by our current Year 6 pupils with the help of a local artist and is a welcome addition to our outdoor space.

Sporting Update

Football

The Year 5/6 boys team played against St Augustine's Primary School and won 3-2 thanks to goals from Morris, Joshua and Ben. The Year 6 girls played in a tournament at Tonbridge Angels where they reached the quarter-finals!

Basketball

Our basketball squad took part in the annual tournament at The Skinner's School and finished 2nd out of 16 teams!

Cross Country

A team from Years 4 and 6 took part in a cross country race at The Skinner's School playing fields— it was a wet and windy day and the children all did really well to keep going! Amy and India achieved top-10 finishes which were particularly impressive!

Netball

Our Year 6 team played against St John's Primary School and played really well in a close match. They lost narrowly but still finished the match with smiles on their faces.

Huge thanks goes to Mr Howe, Miss Bailey, Mr Bowyer and Mr Vale-Taylor for coaching the children and taking them to the events. And of course, thank you to all the parents who help ferry children back and forth!

School Voluntary Fund

Our school voluntary fund is open for anyone who wishes to make a donation to support all the fabulous work going on at our school. We are so grateful for all the donations we have received so far— all donations, of any amount, are very welcomed. Please visit <https://cafdonate.cafonline.org/28587> to make a donation, or follow the link on the school website.
