CAKE SALES

1 WHAT IS IT?

Approximately once a month (usually on a Friday) between March and July each class holds a cake sale in the pick-up area (on main hall if it's raining) to raise money for their individual class rooms. This is coordinated by the class reps from that particular class.

2 HOW IS MONEY RAISED?

Donations of cakes are requested to be brought in on the morning of the cake sale to be sold after school. Cakes are sold for 30p – 50p and approximately £50 - £100 is raised. This is spent on anything from books to craft material for that particular class.

3 FORMAT OF THE DAY?

- Cakes brought in at drop off
- Cake sale starts at 3.15pm in the pick-up area or hall (weather dependent).

4 CAN I HELP?

There are many ways in which you can help:

Become a class rep:

The cakes sales are one of the class reps responsibilities. For the cake sale the reps need to:

- Send an email poster to class parents requesting donations of cakes
- Send an email poster to all parents at the school reminding them of the date and to come along and buy cakes
- Collect the cakes in the morning
- Set up table, sell cakes after school and clear away afterwards

Helping on the day:

The class reps would appreciate any help with cake collection, set up, selling & clearing up.

For more information, please contact you class representative. List of class representatives can be found on the PTA website.
