Year 4 Viking Day:

Viking day! A massive shout-out to everyone in Empire for the efforts made with their Viking costumes on Tuesday. They looked amazing.

We spent the day learning lot of interesting things about the Vikings, as well as taking part in lots of fun activities and games. Empire Class learnt about long ships, punishments, Viking artefacts, Viking games and more. We were given the opportunity to walk over hot coals, build a Viking long ship sail and sail to the finish line, chop off fingers and hands and lots, lots more.

We had a sing song as a class, which ended with a beautiful solo from Noah and Gwen. To finish off, they took part in a carousel of games that replicated activities from the daily like of a Viking. What a great day!
