

Sports Day – 10th June 2008

We had beautiful weather for our Sports Day, plenty of lovely sunshine but some welcome broken cloud. Sports Day was a major part of our Healthy Schools Week and gave the children an opportunity for some added exercise, as well as to compete in front of their families and each other. Super enthusiasm, effort and camaraderie was shown by everyone which made for an enjoyable and successful event. Well done to everyone who took part.

Here is just a flavour of the event, with the conclusion being the presentation of the winner's Shield to the proud Sports Captain of the winning team, Nightingale.
