Sports Day 7th June 2007

We were fortunate to have a dry morning with a very pleasant temperature for the competitors. A long distance race was added this year following the success of our lunch time cross country club with inaugural cups being awarded to the winners in both KS1 and KS2.

The morning was a great success with tremendous efforts from all pupils. The overall winning house was Pankhurst, who haven't won for approx 17 years! We would like to take this opportunity to thank parents, governors and the PTA for their support on the day.
