Mini Marathon – 23rd April 2007

To tie in with the London Marathon, the PTA hosted a 'Mini' marathon in Speldhurst. There were 3 different routes set out around the village to cater for all abilities and inclinations. A short walking route aimed mainly at the infants, a medium length route and a longer route regularly run by many juniors taking part in lunchtime cross country sessions.

The event was a great success, enjoyed by all. Here are a few snapshots:-
