French Day – 20th October 2006

The activities for the whole day were centred around a French theme. All the pupils were put into teams across the year groups and, amongst other things, had the opportunity to build an Eiffel Tower, visit a shop, solve maths problems and the younger children took part in our very own Tour de France! Our caterers even provided lunch with a french theme!

The Year 6 pupils also performed a short play in french and some of our talented musicians played Frère Jacques and Au clair de la lune as part of our assembly that day.
