Harvest Festival 28th September 2006

We were delighted to share our Harvest Festival service with so many parents and friends of Speldhurst school on 28th September at our local church, St Mary's.

There was a beautiful display of harvest gifts thanks to the generosity of our school community. Several of the gifts were distributed to some of the elderly residents in the village by our Year 6 pupils and the remaining were taken to a local Women's Refuge.
