Recorder festival

On 26th February 2010, 5 recorder players from Crispin class went to a recorder festival. It was at St Johns' primary school and 6 other schools were there.

We listened to some people play and then we went off and practiced some songs. We were meant to learn a song on the day, but we already knew it.

After we had practiced we had a concert which all the Mum's and Dad's could watch.

We had a really good time and it was very successful.
