

Our trip to Canterbury!

On the 22nd of February 2010 KS2 went to Canterbury on a train. We went to two museums all about Romans because our topic is 'All Roads lead to Rome.'

When we went to the first museum we were given a sheet of paper which had lots of questions on that we had to answer.

We played a few games as well!

Then we went to the second museum and we completed a worksheets there. We went into lots of different rooms and one of them had lots of mosaics in.

I learnt a lot of things that day and one of things I liked the most was writing my name in runes.
