KS2 Roman TASC Day
5th February 2010

The children had worked very hard in preparing Roman Soldier outfits at home as a `take-away' task this term. They came in proudly wearing them for our TASC Day. The children worked in mixed year group teams and were asked to complete a number of activities including making a chariot, writing a poem, designing a Roman menu, finding out about Roman gods and a new activity for the day - making casts of their feet to then make roman sandals. Have a look at what they got up to ...
